

U.S. Application No. 10/057,174 -- 4

In the Drawings:

Replacement Figures 2, 4, 5 and 6 are included.

Figure 1 is a schematic diagram showing a circular structure within a square frame. The square frame is labeled 6,6a. Inside the frame is a circular structure with a solid outer ring labeled 7 and a dashed inner ring labeled 3. A label 4 points to the dashed ring, and a label 6 points to the solid ring.
